

Makinex Dual Pressure Washer DPW

The Makinex Dual Pressure Washer makes your job faster and easier

Work anywhere, clean anything. What more could you want?

The Makinex Dual Pressure Washer combines a rotary cleaner and wand pressure washer in the one machine, with the ease of swapping between them at the turn of a handle.

Challenge on the job:

- I need one cleaning machine to do everything
- A wand pressure washer and rotary cleaner in one
- I want a machine that can clean various surfaces using different pressures

Features & Benefits:

- Makinex Dual Pressure Washer is a combined wand and rotary cleaner in one
- Adjustable pressure from 1000 - 4000PSi on the DPW 4000 model

Positive Results:

- A walk behind cleaning machine that gets the job done easier and faster

Testimonials:

"The Dual Pressure Washer gets used every day. It hasn't broken down. Being able to switch between the two cleaning configurations makes it a very handy machine."
- Daniel Hona, Site Manager Delta Group, Sydney
